Benefiting Le Bonheur Children's Hospital

Dear Barbara & Mark,

On behalf of Le Bonheur Children's Hospital, the Enchanted Forest-Festival of Trees, and most importantly the children that you helped, **THANK YOU** for your support of the 2012 Enchanted Forest-Festival of Trees. Each year, the Mid-South community looks forward to the holiday tradition of visiting the Festival of Trees, the Gingerbread Village, the Penguin Pond and the model train, as well as seeing Santa and attending the special events that surround the Enchanted Forest. We appreciate your time and support of this cherished holiday event.

You are helping make miracles happen for the children of Le Bonheur. With supporters like you, we look forward to making the 2013 Enchanted Forest an even greater success!

Sincerely,

Stephanie Rainey Snow
