Dear Barbara,

We've packed up the Enchanted Forest Festival of Trees decorations and totaled the donations – and we're so excited to say the 2017 season was the best yet thanks to people like you! We raised \$228,000 to help kids at Le Bonheur Children's Hospital. Your support makes a big difference for kids like Brooklyn.

Brooklyn spent a few days in the hospital recently. She had a staph infection that spread to the muscle tissue in her leg. The team at Le Bonheur knew just what to do to get this energetic 2 year old back to running around. "Thanks to Le Bonheur, Brooklyn has fully recovered," mom Cody said.

And really, the credit belongs to you. Because of your support, we can help every child who needs us. Thank you for being our partner in helping kids.

I'll be in touch about the 2018 Enchanted Forest later this summer, but if you'd like to go ahead and reserve sponsorship, give me a call, (901) 463-0700. I look forward to working together in 2018.

With gratitude,

Sarah
